Norman William
"John" Cooper
June 1927 - July 1988

After the night comes the morning,
bidding all darkness cease...
After life's cares and sorrow,
His comfort, sweetness, and peace.
Rest, O weary traveler,
for with the dawn comes great joy.

"The best is yet to come!"
Everlasting life through Christ

In loving memory of our Dad

As we loved you, so we miss you.
In our memory you are near.
Loved, remembered, longed for always.
Bringing more a silent tear.

With love,
Joan & John

COLUMBARIUM NICHES

Columbariums are very popular for the placement of cremation urns.

Niches accommodate one or two standard size urns.

Our Columbariums are constructed entirely of 100% Canadian Quarried Granite and are available in various sizes and colors.

Ask your Funeral Director or Cemetery About Columbarium Options.

NICHE DOORS

Columbarium Niches have a solid granite door that can be engraved to personalize the person(s) that occupy the niche. Ask your funeral Director or Cemetery about personalization of niche doors.
